Garage Partner Agreement

Mechanix Pro, a brand of NOVA VENTURES (GSTIN 29DVCPR0895G1Z3), Bengaluru, Karnataka
Agreement No. [MXP-GP-____] | Date: [__ / __ / ____] | Place: Bengaluru

In short

- You repair and service customer vehicles as an independent business. You are not our employee.
- We send you jobs through the Mechanix Pro garage app. You accept, or you tell us you cannot.
- Before any work, the customer gets a quote and must say yes. No quote, no work.
- The customer gives you a one-time code at handover. You enter it in the app before work starts.
- You take photos at pickup, at drop-off, when the vehicle is ready and at delivery.
- You set an estimated completion date when the vehicle reaches your garage.
- We pay you every Tuesday for finished, paid and undisputed jobs. Our commission is in Schedule 1.
- You look after the vehicle while it is with you. You are responsible for loss or damage in your custody.

1. Parties

1.1 **NOVA VENTURES**, operating the brand **Mechanix Pro**, with its office in Bengaluru (the **Company**).
1.2 The garage named in the signature block, with the registrations stated there (the **Partner Garage**, **you**).
1.3 The Company runs a platform, made of its website, the Crew and Admin desks and the garage and mechanic apps (the **Platform**). Customers book vehicle services on the Platform. The Company introduces **Jobs** to the Partner Garage.

2. Appointment

2.1 The Company appoints you, on a non-exclusive basis, to carry out Jobs that the Company assigns to you or that you accept on the Platform.
2.2 You are an independent business. Nothing here makes you an employee, agent, partner or joint venturer of the Company. You decide how to do the work, within the standards in this Agreement. You pay your own staff, taxes and dues.
2.3 The Company does not promise a minimum number of Jobs. You do not promise to accept every Job.
2.4 You may serve other customers and platforms. You must not use the Platform's customer details for any purpose other than the Job.

3. Onboarding and documents

3.1 Before your first Job you must complete onboarding in the Platform. This needs: the owner's Aadhaar and PAN documents, photographs of the garage, the name, phone number, photograph

and identity documents of each mechanic who will work on Jobs, any shop or trade licence you hold, and this Agreement signed.
3.2 You upload scans or photographs. You do not type identity numbers into any other field, message or note.
3.3 The Company checks the documents and may accept, reject or ask for more. Approval and go-live are separate steps. The Company may refuse an application without giving a reason.
3.4 You promise that every document is genuine and current. A false or forged document is a ground for immediate termination and, where the law requires, a report to the authorities.
3.5 You must keep your registrations, GST status and insurance valid and tell us within 7 days of any change.
3.6 Before any mechanic of yours works on a Job, that mechanic must be listed in the Platform with their documents. You are responsible for their conduct.

4. The garage app

4.1 The Company gives you a private link and a PIN for the garage app. Keep them private. You are responsible for anything done with them. Tell us at once if they are lost, and we will issue new ones.
4.2 Mark yourself **Available** only when you can take Jobs. The app asks for a photograph of the person confirming this. You accept the app terms once, and they do not appear again unless they change.
4.3 When a Job is assigned, the app alerts you with a sound. Open the app and accept, or say you cannot take it, as soon as you can. If you do not respond within 15 minutes the Company may give the Job to someone else.
4.4 The app may need an internet connection. The Company is not responsible for failures of your phone, network or power.

5. Standards of work

5.1 You will do all work with reasonable skill and care, using trained people, proper tools and a safe workshop.
5.2 You will follow the Motor Vehicles Act 1988 and its rules. You will not road-test a vehicle unless the person driving holds a valid licence. You will not carry out work that is unsafe or unlawful.
5.3 Use genuine or equivalent-quality parts, and tell the customer in the quote which type you propose. Never fit a used part and charge for a new one.
5.4 Treat customers with courtesy. No discrimination, harassment, bribery or pressure to buy extra work.
5.5 Keep the workshop safe. No child labour. Comply with fire, safety, labour and environmental laws.

6. Quote first, customer approval before any work

6.1 After inspection you prepare an itemised quote in the app: work, parts, prices and any estimated time. The Company's team may edit the quote before the customer sees it.
6.2 No chargeable work starts until the customer approves the quote. Approval is recorded on the customer's tracking page, or by the Company's team after a call, with the time and who recorded it.
6.3 If you find more work later, you stop, send a revised quote and wait for approval. The customer

may decline. Then you return the vehicle in the condition you found it, except for work already approved.
6.4 You never charge for work that the customer did not approve.

7. Pickup, one-time code and photos

7.1 **Navigate and arrive.** After accepting a Job you travel to the customer and mark that you are on the way and then near the location. The app then shows the customer's phone number so you can call them.
7.2 **Code.** Before work starts you ask the customer for their one-time handover code and enter it in the app. The code protects the customer's vehicle. Never start without it. Never ask the customer to read it out before you arrive. After five wrong tries the code locks, and you must call the Company.
7.3 **Photos.** You take clear photos of the vehicle at pickup, covering all sides, the odometer reading and any existing damage. You take photos again when the vehicle arrives at your garage, when work is complete (including replaced parts) and at delivery with the customer present.
7.4 **Taking the vehicle to the garage.** If work cannot be done at the customer's location, you tell the customer, mark the Job as going to the garage in the app, and transport the vehicle safely.
7.5 **Estimated date.** When the vehicle arrives at your garage you upload the arrival photos and set an estimated completion date and time. If you do not, the Company's team and the customer are told that the date has not been set.
7.6 Photos and records belong to the Company's Job record and may be used to settle disputes.

8. Parts and warranty

8.1 You warrant your repair work for 30 days or 500 km, whichever comes first. Parts carry the manufacturer's warranty.
8.2 If your work is found defective within that period, you will redo it at no charge to the customer or the Company, within 3 working days of being told.
8.3 You keep records of parts fitted, including invoices for genuine parts when the customer asks.
8.4 The warranty does not cover damage caused by accident, misuse, neglect or work done by someone else after delivery.

9. Customer data and contact

9.1 You see a customer's name, address and phone number only for a Job that is open and assigned to you. You may use them only to carry out that Job.
9.2 You must not contact the customer outside the Job, advertise to them, take them to another platform, or share their details with anyone.
9.3 You and the Company each act as an independent data fiduciary for the personal data you handle, and you will follow the Digital Personal Data Protection Act 2023. You keep customer data secure, tell the Company within 72 hours of any loss or leak, and delete the data when the Job ends unless the law requires you to keep it.
9.4 The Company handles your identity documents under its privacy policy. They are used only for verification and compliance, are visible only to authorised Company staff, and are kept for the term of this Agreement and the period the law requires, then deleted.

10. Prices, billing and the confirmation fee

10.1 The customer pays a confirmation fee of Rs 49, Rs 69 or Rs 99, depending on the engine size, to the Company when booking. It includes GST and is adjusted in the customer's final bill.
10.2 You charge only the amounts in the quote the customer approved, plus any revised quote they approved.
10.3 The Company collects the customer's payment through the Platform and sends the customer the final bill. If you collect any cash or UPI payment directly, you record it in the app on the same day and pay the Company's share as set out in Schedule 1.
10.4 You do not ask customers to pay outside the Platform to avoid the Company's share. Doing so is a ground for immediate termination.
10.5 Each party is responsible for its own GST registration, returns and invoices as the law requires.

11. Payout and settlement

11.1 The Company pays you the amount due for a Job after deducting its commission and any amounts you owe, as shown in the Settlement Statement in the app.
11.2 A Job is ready for payout when the vehicle has been delivered, the customer's payment has been received and cleared, the delivery photos are uploaded, and no dispute is open.
11.3 Payouts are made weekly, every Tuesday, for Jobs that met these conditions up to the previous Sunday, by bank transfer to the account verified during onboarding. If Tuesday is a bank holiday, payment is made on the next working day.
11.4 Your first payout is held for 7 days after your first completed Job.
11.5 You must keep your bank details current. The Company is not responsible for a payment sent to the verified account.
11.6 The Settlement Statement is final unless you raise an objection in writing within 15 days of receiving it.

12. Deductions, holds, disputes and chargebacks

12.1 The Company may deduct from a payout: refunds the Company paid because of your work, chargebacks, penalties under Schedule 1, and amounts you owe.
12.2 If a customer disputes a Job, the Company may hold up to 10% of that Job's payout for up to 30 days while it reviews the photos, the quote and the approval record.
12.3 If a payment is reversed after you were paid, the Company may recover it from later payouts.
12.4 Both sides will try to resolve a dispute in good faith first. Clause 20 applies if that fails.

13. Vehicles in your custody

13.1 From the moment you take a vehicle, until you return it to the customer, you are responsible for it.
13.2 You are liable for loss, theft or damage to the vehicle or its accessories while in your custody, up to the vehicle's declared value, unless it was caused by something outside your control that you could not reasonably have prevented. The pickup, arrival, ready and delivery photos are the main evidence of condition.
13.3 You must keep the vehicle in a locked, safe place overnight. You must not lend, sell, use or

move the vehicle for any purpose other than the Job.
13.4 You should carry insurance for vehicles in your custody and garage keeper's liability, and tell us if you do not.

14. Indemnity

14.1 You will compensate the Company for losses, claims and costs caused by your negligence, your breach of this Agreement, your breach of law, or the acts of your staff or mechanics.
14.2 The Company's total liability to you under this Agreement is limited to the payouts that are due and unpaid to you.
14.3 Neither side is liable for indirect or consequential loss.

15. Suspension for quality

15.1 The Company may pause your access if there are repeated complaints, poor ratings, late or missing photos, missing estimated dates, no-shows, unsafe work or a breach of this Agreement. It will tell you why.
15.2 You may ask for a review. If the problem is fixed, access is restored.

16. Term and termination

16.1 This Agreement runs for 12 months from the signing date and renews each year for 12 months unless either side gives 30 days' written notice not to renew.
16.2 Either side may end this Agreement at any time by giving 30 days' written notice.
16.3 The Company may end it immediately if you commit fraud, forge documents, steal or damage a vehicle, put a customer at risk, take payments outside the Platform, misuse customer data, or lose a required licence.
16.4 When it ends, you finish Jobs already in progress, return all vehicles, and the Company pays what is due under clause 11. Clauses that by their nature continue will continue.
16.5 After exit, the Company deletes your identity documents except what it must keep by law.

17. Confidentiality

17.1 Each side keeps the other's confidential information, including commission rates, customer data and the Platform's workings, confidential during this Agreement and for 3 years after, unless the law requires disclosure.

18. Customers introduced by the Platform

18.1 For 12 months after this Agreement ends you will not solicit or serve, outside the Platform, any customer you first met through a Job on the Platform, in a way that avoids the Company's share. Ordinary walk-in business is not restricted.

19. Compliance

19.1 Each side will follow the law that applies to it, including labour, tax, vehicle, consumer protection, anti-bribery and data laws.
19.2 The Company's role is that of a service aggregator. Under the Consumer Protection Act 2019,

you are responsible for deficiency in the work you carry out.
19.3 Neither side will offer or take bribes. You will report any request for one.

20. Governing law and disputes

20.1 This Agreement is governed by the laws of India.
20.2 Disputes will first be discussed for 15 days. If not settled, they go to arbitration under the Arbitration and Conciliation Act 1996 before a sole arbitrator chosen by agreement, or, if there is no agreement within 15 days, appointed as the Act provides. The seat and venue are Bengaluru and the language is English.
20.3 The courts at Bengaluru, Karnataka, have exclusive jurisdiction for anything that arbitration cannot decide.

21. Notices

21.1 Notices are given by email to the addresses in the signature block, or in the app. Notices in the app are treated as received when shown to you. Email is treated as received the next working day.
21.2 Tell the other side promptly of any change of address, phone or email.

22. General

22.1 This Agreement, with Schedule 1 and the app terms you accept, is the whole agreement. It replaces earlier discussions.
22.2 Changes must be in writing. The Company may update the app terms and Schedule 1 on 30 days' notice. If you do not accept a change you may end the Agreement under clause 16.2.
22.3 If any part is unenforceable, the rest continues.
22.4 You may not transfer your rights or give the work to another business without the Company's written consent.
22.5 Neither side is liable for delay caused by events outside its control, such as flood, fire, strike or government order. This does not excuse payment obligations.
22.6 Counterparts, scans and electronic copies are valid. A signed scan uploaded to the Platform is accepted now. The Company may add electronic signing later.
22.7 This Agreement must be executed on stamp paper of the proper value under the Karnataka Stamp Act. The Company bears the stamp duty.

23. Signature

Signed by the parties on the date above.

Schedule 1: Commercial terms

Item	Term
Commission on labour and service charges	20% of the amount the customer pays for labour and service, before GST
Commission on parts	0% on genuine parts charged at cost. Any margin you add on parts is itemised in the quote and capped at 10%
Confirmation fee	Rs 49, Rs 69 or Rs 99 by engine size, includes GST, adjusted in the final bill. Held by the Company and counted as part of the customer's payment
Payout day	Every Tuesday for eligible Jobs up to the previous Sunday
First payout	Held 7 days after the first completed Job
Quality hold	Up to 10% of the Job's payout, up to 30 days, only on a disputed Job
Warranty on repair work	30 days or 500 km, defects redone free within 3 working days
Cash or UPI collected by you	Recorded in the app the same day. The Company's share is paid to the Company's account on the same day. If not, the amount is deducted from your next payout and your access may be paused
Late acceptance (no response in 15 minutes)	The Job may be reassigned. No penalty
No-show after accepting	Rs 300 deduction
Cancelling after accepting, without a valid reason	Rs 200 deduction
Missing estimated completion date after vehicle arrival	Rs 100 deduction if not set within 4 hours

Item	Term
Penalty cap	No more than 10% of any one payout
Objection to a Settlement Statement	Within 15 days of receiving it

The Company may change these terms on 30 days' notice as provided in clause 22.2.

Notes: This agreement was prepared with AI assistance for the Company. The Company may have its counsel review it. It is not a substitute for legal advice.
