# Mechanic Engagement Terms

**Mechanix Pro, a brand of NOVA VENTURES** (GSTIN 29DVCPR0895G1Z3), Bengaluru, Karnataka
Reference No. [MXP-MT-____] | Date: [__ / __ / ____] | Place: Bengaluru

## In short

- You work as an independent mechanic. You are not our employee.
- Jobs come to the Mechanix Pro app. You accept, or say you cannot take it.
- Go to the customer, say when you are on the way and when you are near, and call them if you cannot find the vehicle.
- Ask for the customer's one-time code and enter it before you start. No code, no work.
- Make a quote. Nothing starts until the customer says yes.
- Take photos at pickup, when you finish and at delivery.
- Online payment is the normal way. If a customer inspects first and pays cash or UPI, you record it the same day and pay the company's share the same day.
- You are paid every Tuesday for finished, paid and undisputed jobs.

## 1. Parties

1.1 **NOVA VENTURES**, operating the brand **Mechanix Pro**, with its office in Bengaluru (the **Company**).
1.2 The person named in the signature block (the **Mechanic**, **you**).
1.3 The Company runs the website, the Crew and Admin desks and the mechanic and garage apps (the **Platform**). Customers book vehicle services on the Platform and the Company introduces **Jobs** to you.

## 2. Your status

2.1 You are an independent service provider. Nothing here makes you an employee, agent or partner of the Company.
2.2 You choose your own tools, methods and working hours within the standards below. You pay your own taxes and dues. You may work for others, but not on a Job you accepted here.
2.3 The Company does not promise a minimum number of Jobs. You do not promise to accept every Job.
2.4 If you work for a Partner Garage, the garage's agreement with the Company applies to the garage's Jobs, and these terms apply to your own conduct.

## 3. Onboarding and documents

3.1 You complete onboarding in the Platform: your photograph, Aadhaar and PAN documents, and this document signed.
3.2 You upload scans or photographs only. Never type identity numbers into any message, note or field.

3.3 The Company may accept, reject or ask for more. Approval and going live are separate steps. The Company may refuse an application.
3.4 You promise your documents are genuine and current. A false document is a ground for immediate termination and a report to the authorities where the law requires.
3.5 You hold a valid driving licence if you ride or drive to Jobs. You wear the Mechanix Pro uniform or cap and carry your tools in good order.

## 4. The mechanic app and availability

4.1 You get a private link and a PIN. Keep them private. You are responsible for anything done with them. Tell us at once if they are lost.
4.2 Mark **Available** only when you can take Jobs. The app asks for a photograph of you to confirm. You accept the app terms once, and they do not appear again unless they change.
4.3 A new Job rings an alarm in the app. Accept or decline as soon as you can. If you do not respond within 15 minutes the Job may go to someone else.

## 5. How a Job works

5.1 **Accept**, then tap **On the way**, then **I am near the location**. The app then shows the customer's phone number. Call them if you cannot find the vehicle.
5.2 **Code.** Ask the customer for their one-time handover code and enter it in the app before work starts. Never start without it. After five wrong tries the code locks. Call the Company.
5.3 **Inspect and quote.** Check the vehicle, note every problem, and make an itemised quote in the app. You may tell the customer the quote aloud as well. The Company's team may edit the quote.
5.4 **Approval.** Do no chargeable work until the customer approves. Approval is recorded on the customer's page or by the Company's team after a call.
5.5 **More work.** If you find more, stop, send a revised quote and wait for approval. If the customer says no, return the vehicle as found, except for work already approved.
5.6 **On the spot or at the garage.** Repair where you are if the customer approved it. If the vehicle must go to a garage, mark that in the app and take it only with the customer's agreement.
5.7 **Photos.** Take clear photos of the vehicle at pickup (all sides, odometer, existing damage), when work is done (including replaced parts) and at delivery with the customer present.

## 6. Standards

6.1 Work with reasonable skill and care, with proper tools, in a safe way.
6.2 Follow the Motor Vehicles Act 1988. Do not test-ride a vehicle without a valid licence. Do not take the vehicle anywhere other than for the Job.
6.3 Use genuine or equivalent parts and say which in the quote. Never charge for a new part and fit a used one.
6.4 Be polite. No harassment, discrimination, bribery or pressure to buy extra work. Do not drink or take drugs on duty.
6.5 Do not ask the customer to pay outside the Platform to avoid the Company's share.

## 7. Customer data

7.1 You see a customer's name, address and phone number only for an open Job assigned to you, and only to do that Job.
7.2 Do not contact the customer outside the Job, advertise to them, or share their details.
7.3 Follow the Digital Personal Data Protection Act 2023. Tell the Company within 72 hours of any loss or leak. Delete the details when the Job ends.
7.4 The Company handles your documents under its privacy policy. Only authorised staff see them. They are kept while you work with us and as the law requires, then deleted.

## 8. Payment and cash dues

8.1 The customer pays a confirmation fee of Rs 49, Rs 69 or Rs 99 to the Company when booking. It includes GST and is adjusted in the final bill.
8.2 Online payment is the normal way to pay the final bill. Use the QR code or send the payment link from the app.
8.3 If a customer wants to inspect the vehicle first, they may pay cash or UPI when the vehicle arrives. Tick that in the app. Then record the amount you received, the same day.
8.4 You must pay the Company's share of any cash or UPI you collect on the same day, by UPI to the Company's account. If not, the amount is deducted from your next payout, and your access may be paused until it is cleared.
8.5 Never keep or spend the Company's share. Never collect more than the approved quote.

## 9. Payout

9.1 The Company pays you every Tuesday for Jobs finished and paid, with delivery photos uploaded and no open dispute, up to the previous Sunday, by bank transfer to your verified account. The Settlement Schedule gives the rates and rules.
9.2 Your first payout is held for 7 days after your first completed Job.
9.3 The Company may deduct refunds caused by your work, chargebacks, penalties and amounts you owe, as set out in the Settlement Schedule.
9.4 You may object in writing to a Settlement Statement within 15 days.

## 10. Vehicles in your care

10.1 You are responsible for the customer's vehicle from the moment you take it until you hand it back.
10.2 You are liable for loss, theft or damage while it is with you, unless it was caused by something outside your control that you could not reasonably prevent. The photos are the main evidence.
10.3 Do not lend, sell, use or leave the vehicle unlocked and unattended.

## 11. Conduct and suspension

11.1 The Company may pause your access for repeated complaints, poor ratings, missing photos, no-shows, unsafe work, unpaid cash dues or breach of these terms. It will tell you why. You may ask for a review.

## 12. Ending this agreement

12.1 Either side may end this agreement with 7 days' written notice.
12.2 The Company may end it immediately for fraud, forged documents, theft, putting a customer at risk, taking payments outside the Platform, misuse of customer data or unpaid dues.
12.3 When it ends, finish Jobs in progress, hand back all vehicles, and the Company pays what is due. The Company then deletes your documents except what the law requires it to keep.

## 13. General

13.1 You will not contact the Company's customers outside the Platform for 12 months after the end, to avoid the Company's share. Walk-in work is not restricted.
13.2 The Company's liability to you is limited to payouts due and unpaid. Neither side is liable for indirect loss.
13.3 You will compensate the Company for losses caused by your negligence, breach of these terms or breach of law.
13.4 Keep the Company's confidential information, such as rates and customer data, confidential for 3 years.
13.5 This is governed by Indian law. Disputes are discussed for 15 days, then go to a sole arbitrator in Bengaluru under the Arbitration and Conciliation Act 1996, in English. The courts at Bengaluru have exclusive jurisdiction for anything arbitration cannot decide.
13.6 Changes to these terms need 30 days' notice. If you do not accept, you may end the agreement under clause 12.1.
13.7 These terms are the whole agreement for your work with the Company. If any part is unenforceable, the rest continues. Electronic copies and signed scans are valid. This must be signed on stamp paper of the proper value under the Karnataka Stamp Act, with the stamp duty borne by the Company.
